## Välkommen till Stockholm Gay Life

Företagarföreningen Stockholm Gay Life har till syfte att bidra till att Stockholm blir än ännu mer hbt-vänlig stad. Genom samarbete når vi ut med information om allt Stockholm har att erbjuda turister från Sverige, Nordem, Europa och internationellt.

Och genom samarbete utvecklar vi stadens utbud för såväl oss som bor här som våra besökare.

**Under 2013 ger vi ut Stockholm Rainbow Guide. Såklart din verskamhet skall synas där!**

Ju fler företag som går med ju strakare blir våra möjligheter att nå ut.
